

Today

Nidji

I never believe a beautiful dream
Can be so true today
I never believe love can be faster
Finding me here today

It is just so fast
Like a bullet train
Into my heart

Baby don't you ignore me
Because i can see
If you do like me too

Baby why don't you try me
Because you make me
Fall in love today

Repeat *
Repeat reff

Never i never give up on you babe
Never i never oh oh
Never i never give up on you girl
Never i never oh oh

Now i see and now i fell
If you believe that
Everything could happen today

Repeat reff

(Baby, love me)
