

# Never Look Back

Night Beats

Atthew, Mark, Luke, and John (Oh yeah)  
Can't explain a nuclear bomb (Oh yeah)  
Hell on earth, what a shame (Oh yeah)

UFO take me home (Oh yeah)  
Leave this rock all alone (Oh yeah)  
Lock me up, without a key (Oh yeah)

Standing around with your look on your face  
Never look back to the same old place (yeah yeah yeah)

Atom bomb such a drag (Oh yeah)  
Stay inside burn a flag (Oh yeah)

Lock me up without a key (Oh yeah)  
Living in penitentiary (Oh yeah)

Standing around with your that look on your face  
Never look back to the same old place (yeah yeah yeah)
