

# Shadow

Night Beats

Tell me what you want to listen to  
Twisted bottom dweller in the zoo  
Poison trickles slowly down your lip

Born in the shadow don't be late  
Born in the shadow don't be late, no  
Born in the shadow don't be late  
Born in the shadow don't be late, no

Candy coated silver saloon  
Staring waiting watching on a stool  
Colors changing laughing found  
Born in the shadow don't be late  
Born in the shadow don't be late, no  
Born in the shadow don't be late  
Born in the shadow don't be late, no, no
