

# Die In The Disco

## Night Club

I wanna die...  
I wanna die...  
I wanna die...  
I wanna die...

Pain, all around  
It surrounds and it suffocates me  
I'm afraid that this town  
Has me down on my hands and knees

Am I insane, feel so wrong  
Don't belong in this reality  
Run away, won't be long  
I'll be gone before anyone finds me

Make them go away  
These twisted thoughts inside my head  
(Inside my head)  
Take me to a place  
Where I can dance until I'm dead  
(Dead, dead)

Let me go  
Let me go  
I wanna die in the disco  
Let me go  
Let me go  
I wanna die in the disco  
Die in the disco

Shame, I've been down  
And I'm drowning in my misery  
I'm a slave to myself  
I can't help it, what happened to me

I'm afraid I've been critical  
Cynical, need to escape me  
Run away, won't be long  
I'll be gone before anyone finds me

Make them go away  
These twisted thoughts inside my head  
(Inside my head)  
Take me to a place  
Where I can dance until I'm dead  
(Dead, dead)

Let me go  
Let me go  
I wanna die in the disco  
Let me go  
Let me go  
I wanna die in the disco  
Die in the disco

This is my party  
And I'll die if I want to

And I'll die if I want to  
And I'll die if I want to

This is my party  
And I'll die if I want to  
And I'll die if I want to  
Die if I want to  
Die if I want to

This is my party  
And I'll die if I want to  
And I'll die if I want to  
And I'll die if I want to

This is my party  
And I'll die if I want to  
And I'll die if I want to  
Die if I want to  
Die if I want to

(Ooohhh)  
Let me go  
Let me go  
I wanna die in the disco  
Let me go  
Let me go  
I wanna die in the disco  
Die in the disco
