

# The Lunatics (Have Taken Over The Asylum)

Night Club

I see a clinic full of cynics  
Who want to twist the peoples' wrist  
They're watching every move we make  
We're all included on the list

The lunatics have taken over the asylum  
The lunatics have taken over the asylum

Go nuclear the cowboy told us  
And who am I to disagree  
'Cause when the madman flips the switch  
The nuclear will go for me

The lunatics have taken over the asylum  
The lunatics have taken over the asylum

I've seen the faces of starvation  
But I just can not see the point  
'Cause there's so much food here today  
That no one wants to take away

The lunatics have taken over the asylum  
The lunatics have taken over the asylum  
The lunatics have taken over the asylum  
Take away my right to choose  
Take away my point of view  
The lunatics have taken over the asylum

The lunatics have taken over the asylum  
Take away my dignity  
Take these things away from me  
The lunatics have taken over the asylum

The lunatics have taken over the asylum  
Take away my family  
Take away the right to speak  
The lunatics have taken over the asylum
