

Teenage Cutie

Night Lovell

Hey baby
It's me
I know you're probably working right now
I just wanted to call you and tell you I love you
Keep changing the city baby
I love you, I'll see you tonight

Niggas in the bay
Might come back and check with her
Who's in the bay?
Might come back and check with her
They call me bae
Might come back and check, uh yea
Like uh yeah
Yeah, yeah, yeah, yeah, yeah
Shots in the lie
Might come back and check with her
Run from the car
Won't come back and check with her
Please Lovell
Just cut that check, uh yeah
Like uh yeah
Uh okay

They don't like my goal
Claim I took your soul
Talking all that bullshit
Hope you never learn from me
I've been on my way
I've gotta count this K
Pulling all this money
Man, it's all so funny
What's my name
What's my name
What's my name
What's my name
Uh yeah
Two bad hoes linked up like a nigga got black a drop top
Like uh yeah
Place you on my lair
I like you, uh yeah
She say how you do ya
I ain't got no rules, yeah

Niggas in the bay
Might come back and check with her
Who's in the bay?
Might come back and check with her
They call me bae
Might come back and check, uh yea
Like uh yeah
Yeah, yeah, yeah, yeah, yeah
Shots in the lie
Might come back and check with her
Run from the car
Won't come back and check with her
Please Lovell

Just cut that check, uh yeah
Like uh yeah
Uh okay
