

## Headlights

## Night Moves

So long my headlights on the road  
When are you coming on, coming home?  
'Cause I'll be around for the weekend through  
I'll be around and bow for you  
I just don't know where I am  
Ooooooh  
Now it's all right, all right, all right

So I packed my walking side a dream  
When will you stick around?  
Well it seems since I've seen you, since I've seen you, since I  
've been through the night  
I just don't know who I am  
Ohh

But babe, don't wreck it all over  
No, babe, don't wreck it all over  
Ooooooh oooh

They know where we're going if you think you can [?]  
They know where we're going if you think you can [?]  
Ooooooh ooh

It's all right, all right  
All right, all right  
All right, all right

I just don't know who I am  
Ooooooooh  
All right, all right...
