

Are you sure?  
Check again  
Neither am I  
I'm sure I'm uncertain  
Dizzy with conundrums  
Glitching prisms  
And delicate doldrums

But keeping my eyes pried  
I'm keeping my eyes pried  
I'm keeping my eyes pried  
Keepin' my, keeping my', oh...

I've been unsure  
I've been unsure  
I've been uncertain a lot  
But being unsure  
Yeah, being unsure  
Means I'm not lost in a lie

Thorns hurt less in the light  
Thorns hurt less in the light

Are you closed - or open  
Do you fit in  
Neatly or unkept?  
Batten down for the bends  
Crack in your lens  
Falling end over end

Are you sure?  
Check again  
Neither am I  
I'm sure I'm uncertain  
Dizzy with conundrums  
Glitching prisms  
And delicate doldrums

I've been unsure  
I've been unsure  
I've been uncertain a lot  
But being unsure  
Yeah, being unsure  
Means I'm not living a lie!

Thorns hurt less in the light  
Yeah, thorns hurt less in the light...
