

Time Erases Time

Night Verses

Just when you're breaking, strung out on disappearing,
Just when it's all gone, I'll be the cord cut in every connecti
on.

Shaking relations, bastard, prosthetic faces.

Just when it's all gone, I'll be the past erasing time.

Can't you leave the coldest coast aside?

I want you to know you're better left alone.

Can't you leave the coldest coast aside?

I want you to know, oh, I want you.

Just when you're choking... A passionate, constant burning.

Just when it's all gone, I'll be the cord cut in every connecti
on.

Pull back, abrasive. All I need is time.

Just when it's all gone, I'll be the past erasing time.

Can't you leave the coldest coast aside?

I want you to know you're better left alone.

Can't you leave the coldest coast aside?

I want you to know.

Panic the world.

Passionate, passionate, passionate, passionate, passionate, men
tal state.

I'll be the noose at the end of the world.

I'll be the noose at the end of the world.

Can't you leave the coldest coast aside?

I want you to know you're better left alone.

Can't you leave the coldest coast aside?

I want you to know, oh, I want you to know.
