Here I am creating love tonight
Here I am the quintessence of life
I'm the air, the breath of life
I'm the fire that blazes deep inside
I'm the water that makes you wet
I'm the earth that catches every step

Here I am creating love tonight here I am the quintessence of l

The air, the fire, the water, the earth, the quintessence, the
five elements.

Here I am creating love tonight
Here I am the quintessence of life
I'm the air, the breath of life
I'm the fire that blazes deep inside
I'm the water that makes you wet
I'm the earth that catches every step
