

Another Night

Nightcore

Another night,
Another dream but always you
It's like a vision of love
It seems to be true
Another night,
Another dream but always you
In the night I dream of love so true

Another night,
Another dream but always you
It's like a vision of love
It seems to be true
Another night Another dream
But always you
In the night I dream of love so true

In the night
In my dreams I'm in love with you
Cause you talk to me like lovers do
I could joy
I could dream
I am still the seem
In the night I kiss and read alone

Talk...Talk...
Talk to you..

Talk...Talk...
Talk to you

Another night,
Another dream but always you
It's like a vision of love
It seems to be true
Another night,
Another dream but always you
In the night I dream of love so true

Another night,
Another dream but always you
It's like a vision of love
It seems to be true
Another night,
Another dream but always you
In the night I dream of love so true

In my night in my dreams
I'm in love with you
Cause you talk to me lovers do
I could joy
I could dream
I am still to see
In the night I kiss and read alone
