

# Demons

Nightcore

Mayday! Mayday!  
The ship is slowly sinking  
They think I'm crazy but they don't know the feeling!  
They're all around me, circling like vultures  
They wanna break me, and wash away my colors  
Wash away my colors

Take me high and I'll sing  
Oh, you make everything okay, okay, okay  
We are one and the same  
Oh, you take all of the pain away, away, away  
Save me if I become my demons

I cannot stop this sickness taking over  
It takes control, and drags me into nowhere  
I need your help, I can't fight this forever  
I know you're watching, I can feel you out there

Take me high and I'll sing  
Oh, you make everything okay, okay, okay  
We are one and the same  
Oh, you take all of the pain away, away, away  
Save me if I become my demons

Take me over the walls below  
Fly forever  
Don't let me go  
I need a savior to heal my pain  
When I become my worst enemy  
The enemy

Take me high and I'll sing  
You make everything okay  
We are one and the same  
You take all of the pain away

Take me high and I'll sing  
Oh, you make everything okay, okay, okay  
We are one and the same  
Oh, you take all of the pain away, away, away  
Save me if I become my demons

Take me high and I'll sing  
Oh, you make everything okay, okay, okay  
We are one and the same  
Oh, you take all of the pain away, away, away  
Save me if I become my demons
