

Don't You

Nightcore

Don't you see me
You've got the key
Did you hear me?
Deep in your eyes
I can see your lonely heart
Believe in us
Did you hear me?

Don't you see me
I'm waiting here for you
You've got the key
Did you hear me?
Deep in your eyes
I can see your lonely heart
Believe in us
Did you hear me?

Don't you see me
Don't you see me

Don't you see me
You've got the key

Don't you see me
I'm waiting here for you
You've got the key
Did you hear me?
Deep in your eyes
I can see your lonely heart
Believe in us
Did you hear me?

Don't you see me
