

Legends Never Die

Nightcore

Legends never die when the world is callin' you
Can you hear them screaming out your name?
Legends never die, they become a part of you
Every time you bleed for reaching greatness
Relentless you survive

They never lose hope when everything's cold
And the fighting's near
It's deep in their bones
They'll run into smoke when the fire is fierce
Oh, pick yourself up 'cause

Legends never die when the world is calling you
Can you hear them screamin' out your name?
Legends never die, they become a part of you
Every time you bleed for reaching greatness
Legends never die

They're written down in eternity
But you'll never see the price it costs - the scars collected a
ll their lives
When everything's lost, they pick up their hearts and avenge de
feat
Before it all starts, they suffer through harm just to touch a
dream
Oh, pick yourself up 'cause

Legends never die when the world is calling you
Can you hear them screamin' out your name?
Legends never die, they become a part of you
Every time you bleed for reaching greatness
Legends never die

When the world is callin' out your name
Begging you to fight
Pick yourself up once more
Pick yourself up 'cause

Legends never die when the world is calling you
Can you hear them screamin' out your name?
Legends never die, they become a part of you
Every time you bleed for reaching greatness
Legends never die
