Let It Burn

Nightcore

I watch this city burn
These dreams like ashes float away
Your voice I never heard, only silence
Where were you when our hearts were bleeding?
Where were you? It all crashed down
I never thought that you'd deceive me
Where are you now?

(How long) can you stand the pain?
(How long) how long will you hide your face?
(How long) how long will you be afraid?
Are you afraid?
(How long) will you play this game?
(How long) will you fight or will you walk away?
(How long) how long will you let it burn?
Let it burn, let it burn

I watch this city burn
These passions slowly smoldering
A lesson never learned, only violence
Is your world just a broken promise?
Is your love just a drop of rain?
Will we all just burn like fire?
Are you still there?
Tell me now!

(How long) can you stand the pain?
(How long) how long will you hide your face?
(How long) how long will you be afraid?
Are you afraid?
(How long) will you play this game?
(How long) will you fight or will you walk away?
(How long) how long will you let it burn?
Let it burn, let it burn

Will you wait till it all burns down?
Will you wait till it all burns down?
Will you wait till it all burns down?
Will you fight when it all burns down?
Will you stand when it all burns down?
Will you love when it all burns down?
Will it end when it all burns down?
Will you just let it all burn down?

(How long) can you stand the pain?
(How long) how long will you hide your face?
(How long) how long will you be afraid?
Are you afraid?
(How long) will you play this game?
(How long) will you fight or will you walk away?
(How long) how long will you let it burn?
Let it burn, let it burn
Let it burn, let it burn
Let it burn
