

# Runnin'

Nightcore

Steel to my trembling lips,  
How did the night ever get like this  
One shot and the whiskey goes down, down, down  
Bottom of the bottle hits  
Waking up my mind as I throw a fit  
The breakin' is takin' me down, down, down

My heart's beating faster, I know what I'm after.  
I've been standing here my whole life,  
Everything I've seen twice, now it's time I realize  
It's spinnin' back around now, on this road I'm crawling  
Save me cause I'm falling, now I can't seem to breathe right  
Cause I keep runnin', runnin', runnin', runnin'  
Runnin', runnin', runnin', runnin'  
Runnin' from my heart.

'Round and around I'd go, addicted to the numb  
Living in the cold  
The higher, the lower the down, down, down  
Sick of being tired and sick of waiting  
For another kind of fix  
The damage is damning me down, down, down

My heart's beating faster, I know what I'm after.  
I've been standing here my whole life,  
Everything I've seen twice, now it's time I realize  
It's spinning back around now, on this road I'm crawling  
Save me cause I'm falling, now I can't seem to breathe right  
Cause I keep runnin', runnin', runnin', runnin'  
Runnin', runnin', runnin', runnin'  
Runnin' from my heart.

Woah ohhhh,  
I'm coming alive.  
Woah ohhhh,  
Wake up now and live oh!

Woah ohhhh,  
I'm coming alive.  
A life that's always been a dream,  
Wake up now and live oh!

I've been standing here my whole life,  
My heart's beating faster, I know what I'm after.

I've been standing here my whole life,  
Everything I've seen twice, now it's time I realize  
It's spinning back around now, on this road I'm crawling  
Save me cause I'm falling, now I can't seem to breathe right  
Cause I keep runnin', runnin', runnin', runnin'  
Runnin', runnin', runnin', runnin'  
Runnin' from my heart.

Cause I keep runnin', runnin', runnin', runnin'  
Runnin', runnin', runnin', runnin'  
Runnin' from my heart.
