

i got so much to tell you

Nightly

Ooh, woah
Ooh, woah

Feel it in my fingertips
Playin' with the midnight air
Flickers of your emerald eyes
To your messy hair

Buzzing with the streetlight echo
Tell me all the things you fear
I'm having trouble talking straight when you're here

Am I the only one, cause I'm scared you don't feel it
Am I the only one, I won't

I got so much to tell you, but I don't know how to say it
I got so much to tell you, but I don't know how to say it
I got so much to tell you, but I don't know how to say it
I got so much to tell you, but I'm afraid now

Hanging on your every word
Are you gonna say it first
Staring at your lips right now
Going crazy

Quiet in the passenger seat
I can feel your body speak
So talk to me now
Talk to me now, now, now

Am I the only one, cause I'm scared you don't feel it
Am I the only one, I won't cause

I got so much to tell you, but I don't know how to say it
I got so much to tell you, but I don't know how to say it
I got so much to tell you, but I don't know how to say it
I got so much to tell you, but I I'm afraid, oh

I got so much to tell you, but I don't know how to say it
I got so much to tell you, woah

Cause I got so much to tell you, but I don't know (I got so much)
I don't know how to say it
So much that I'm afraid of
