Nightly

Hold back lose track when you call  
So fast I'm a mess when we talk  
And you fall fall asleep while I'm awake pacing

My mind keeps tryna hold tight  
But I can't fight when you give me those eyes  
And I don't know the right way to say it

But I don't want anyone beside you  
Anyone beside you  
No one loves you like I do  
Like I do

Ya I'm sure I'm sure that it's true  
Somebody is waiting on you  
And you know all the jokes to his punchlines

But the thought of you on someone's side  
Laughing along with your crooked smile  
Keeps me up babe it just doesn't feel right

Cause I don't want anyone beside you  
Anyone beside you  
No one loves you like I do  
Like I do

I don't want anyone beside you  
Anyone beside you  
No one loves you like I do  
Like I do

Just one look and I'm  
Going into overdrive  
Automatic baby like I knew you in another life  
It's on my mind  
It's on my mind  
Don't know how to say it  
Ya I don't know how to say it

Just one look and I'm  
Going into overdrive  
Automatic baby like I knew you in another life  
It's on my mind  
It's on my mind

I don't want anyone beside you  
Anyone beside you  
No one loves you like I do  
Like I do

I don't want anyone beside you  
Anyone beside you  
No one loves you like I do  
Like I do
