

## navy blue

Nightly

Everywhere I look there's only shade of you  
No matter what I do  
You're my navy blue  
Swimming through the deepest oceans of my mind  
When I look at you  
I see navy blue

I think about you  
Alone in my room  
When the sun goes down  
It doesn't fade when  
I'm on the road and  
When you're not around

Everywhere I look there's only shade of you  
No matter what I do  
You're my navy blue  
Swimming through the deepest oceans of my mind  
When I look at you  
I see navy blue

It's not a fraction  
Or fleeting attraction  
It's only everything  
It's in my head and  
It's in my veins and  
In all the melodies I sing

Everywhere I look there's only shade of you  
No matter what I do  
You're my navy blue  
Swimming through the deepest oceans of my mind  
When I look at you  
I see navy blue  
I see navy blue

Yeah, everywhere I look  
It's only you  
It's only you

It's only you  
It's only you  
It's only you
