

STOP

Nightly

It's been some months that we've been talking
And I don't know what you say to your friends
When you're thinking about next summer
Do you see me or do I fade out like a trend

Maybe it's too much to say
But I want you to know
That I think I would break

If your love would stop
I would die I would die I would die
If your love would stop
I don't know how I'd spend my time
If you gave it up, oh
I don't think I could go on
If your love would stop

I look for you like a shelter
Scanning faces in the crowd
I'm not saying I need you all the time
But I notice every time you're not around

Maybe it's too much to say
But I want you to know
That it'd be more than I could take

If your love would stop
I would die I would die I would die
If your love would stop
I don't know how I'd spend my time
If you gave it up, oh
I don't think I could go on
If your love would stop

If your love would stop
If your love would stop, stop
