

time flies when you're having fun

Nightly

You barely
Come back now
Just when it's late at night
And every
Afternoon
I guess it's all the time

I don't know how you do it
But when I close my eyes it
Freaks me out how

Just like that I'm back in your car
Staring at a rolling stones shirt on the floor
And it feels like yesterday but I'm not sure
When we decided not to talk anymore
Yeah they say time flies when you're having fun
But what happens babe
When you miss someone

Don't know if it's protocol
For me
To feel this stuck
In situations
In conversations
Where I always bring you up but

I don't know how you do it
But when I close my eyes it
Freaks me out how

Just like that I'm back in your car
Staring at a rolling stones shirt on the floor
And it feels like yesterday but I'm not sure
When we decided not to talk anymore
Yeah they say time flies when you're having fun
But what happens babe
When you miss someone

When you miss someone
When you miss someone
When you miss someone (when you miss someone)
When you miss someone
When you miss someone
When you miss someone

Does it start to speed up after a while
Or will everyday feel like slow motion
I don't know what to do about it
Don't know what to do about it

They say time flies when you're having fun
But what happens babe
When you miss someone

When you miss someone
When you miss someone
When you miss someone

When you miss someone
