

You say you want it all
I feel it half the time
I'm still trying to find myself
You make me lose my mind

I can't focus when you're with me
I can't sleep when I'm alone
In this half life that I'm living
I love you but I gotta let go, Xo, Xo
I love you but I gotta let go, Xo, Xo
I love you but I gotta let go Xo

I want to call you back
I don't know what to say
I'm scared to open up
Why do I act this way

I can't focus when you're with me
I can't sleep when I'm alone
In this half life that I'm living
I love you but I gotta let go, Xo, Xo
I love you but I gotta let go, Xo, Xo
I love you but I gotta let go, Xo

I can't focus when you're with me
I can't sleep when I'm alone
In this half life that I'm living
I love you but I gotta let go, Xo, Xo
I love you but I gotta let go, Xo, Xo
I love you but I gotta let go, Xo
