

## Be There

## Nightmares on Wax

I do me, I do me, I do me  
The part of me, part of me, part of me  
I do me, I do me, I do me

I do me  
The most magnificent  
Living life that's benevolent  
The highest of the highest of  
Anything equivalent  
I do me  
Be the most magnificent, just be  
Living life that's benevolent  
The highest of the highest of  
Anything equivalent  
I do me

I do me

I do me  
The most magnificent  
Living life that's benevolent

The highest of the highest of  
Anything equivalent  
I do me  
Be the most magnificent, just be  
Living life that's benevolent  
The highest of the highest of  
Anything equivalent  
I do me

I do me, I do me, I do me  
The part of me, part of me, part of me  
I do me, I do me, I do me  
I do me, I do me, I do me  
The part of me, part of me, part of me  
I do me, I do me, I do me
