

I Am You

Nightmares on Wax

Look at me
(Oh)
Look at me
Look in my eyes
Oh, my eyes
My eyes

Look at me
Oh yeah
Oh yeah
Oh yeah
Look at me
(Oh, oh)
Look at me

Look at me
Look in my eyes
The soul within
Will tell you no lies
I am you
You are me
So tell me
Tell me
Tell me
Tell me
Tell me
Tell me
Tell me
Why can't we be?
Why, why, why, why, why, why, why?
Why, why, why, why, why, why, why?

Why can't we be?

Oh, when you look at me

When you look at me
Look in my eyes
The soul within
Will tell you no lies
I am you
You are me
So tell me
Tell me
Tell me
Tell me
Tell me
Tell me
Tell me
Tell me

Look at me
Look in my eyes
The soul within
Will tell you no lies
I am you
You are me
Tell me

Tell me
Tell me
Tell me
Tell me
Tell me
Tell me
Why can't we be?
