

Gallant Deeds

Nightrage

Every time up in the skies
I wonder why this makes me so mad
All the sorrow, all the tears and the pain
You're the reason this hurts me so much

Every moment I'll try to forget
I guess you know how the bittersweet recollections
No more tears for me now I know
I know a light to guide me far away in the night

Gallant deeds and a strange light
At the end of the road
Gallant deeds and a strange light
At the end of the road

I don't know how to release, from this pain
And from the mournful silence
Discovering this ecstatic beauty
With my pride so sorrowful

Every moment I'll try to forget
I guess you know the bittersweet recollections
No more tears for me now I know
I know a light to guide me far away in the night

Gallant deeds and a strange light
At the end of the road
Gallant deeds and a strange light
At the end of the road

Why so much pain, my body is so cold
Why don't you speak, my God is true

Gallant deeds and a strange light
At the end of the road
Gallant deeds and a strange light
At the end of the road
Gallant deeds and a strange light
At the end of the road
