

# Bye Bye Beautiful

Nightwish

Finally the hills are without eyes  
They are tired of painting a dead man's face red  
With their own blood

They used to love having so much to lose  
Blink your eyes just once and see everything in ruins

Did you ever hear what I told you?  
Did you ever read what I wrote you?  
Did you ever listen to what we played?  
Did you ever let in what the world said?  
Did we get this far just to feel your hate?  
Did we play to become only pawns in the game?  
How blind can you be, don't you see?  
You chose the long road, but we'll be waiting

Bye bye, beautiful  
Bye bye beautiful

Jacob's ghost for the girl in white  
Blindfold for the blind  
Dead siblings walking the dying earth

Noose around a choking heart  
Eternity torn apart  
Slow toll now the funeral bells

"I need to die to feel alive"

Did you ever hear what I told you?  
Did you ever read what I wrote you?  
Did you ever listen to what we played?  
Did you ever let in what the world said?  
Did we get this far just to feel your hate?  
Did we play to become only pawns in the game?  
How blind can you be, don't you see?  
You chose the long road, but we'll be waiting

Bye bye, beautiful  
Bye bye beautiful

It's not the tree that forsakes the flower  
But the flower that forsakes the tree  
Someday I'll learn to love these scars  
Still fresh from the red-hot blade of your words

...How blind can you be, don't you see...  
...that the gambler lost all he does not have...

Did you ever hear what I told you?  
Did you ever read what I wrote you?  
Did you ever listen to what we played?  
Did you ever let in what the world said?  
Did we get this far just to feel your hate?  
Did we play to become only pawns in the game?  
How blind can you be, don't you see?  
You chose the long road but we'll be waiting

Bye bye, beautiful  
Bye bye, beautiful  
bye bye, beautiful  
Bye, bye, bye, bye
