

## Edema Ruh

Nightwish

One by one we light the candles of this show  
One by one, enter the theatre of the primal birth  
Silently watch the planetary curtain go down  
Laugh and rejoice, as the powerful play greets you tonight

We are the Edema Ruh  
We know the songs the sirens sang  
See us dream every tale true  
The verse we leave with you will take you home

We'll give you a key to open all of the gates  
We'll show you a sea of starlight to drown all your cares  
Mirrorhouses, the sweetest kisses and wines  
A Debussy dialogue between wind and the roaring sea

We are the Edema Ruh  
We know the songs the sirens sang  
See us dream every tale true  
The verse we leave with you will take you home

Dance to the whistle, to the play, to the story  
To infinite encores  
Laugh at the royalty with sad crowns  
And repeat the chorus once more

We are the Edema Ruh  
We know the songs the sirens sang  
See us dream every tale true  
The verse we leave with you will take you home
