## **End of All Hope**

## **Nightwish**

It is the end of all hope
To lose the child, the faith
To end all the innocence
To be someone like me
This is the birth of all hope
To have what I once had
This life unforgiven
It will end with birth

No will to wake for this morn To see another black rose born Deathbed is slowly covered with snow

Angels, they fell first but I'm still here Alone as they are drawing near In heaven my masterpiece will finally be sung

It is the end of all hope To lose the child, the faith To end all the innocence To be someone like me

Wounded is the deer that leaps highest And my wound it cuts so deep Turn off the light and let me pull the plug

It is the end of all hope
To lose the child, the faith
To end all the innocence
To be someone like me
This is the birth of all hope
To have what I once had
This life unforgiven
It will end with birth

Mandylion without a face Deathwish without a prayer End of hope End of love End of time The rest is silence

Mandylion without a face Deathwish without a prayer End of hope End of love End of time The rest is silence

It is the end of all hope To lose the child, the faith To end all the innocence To be someone like me

This is the birth of all hope To have what I once had

It is the end of all hope To lose the child, the faith To end all the innocence To be someone like me

It is the end of all hope To lose the child, the faith

End of all hope
