

# Higher Than Hope

Nightwish

Time it took the most of me  
And left me with no key  
To unlock the chest of remedy  
Mother, the pain ain't hurting me  
But the love that I feel  
When you hold me near

The hopes were high  
The choirs were vast  
Now my dreams are left to live through you

Red Sun rising  
Drown without inhaling  
Within, the dark holds hard

Passiontide  
An angel by my side  
But no Christ to end this war  
To deliver my soul from the sword  
Hope has shown me a scenery  
Paradise poetry  
With first snow I'll be gone

The hopes were high  
The choirs were vast  
Now my dreams are left to live through you

Red Sun rising  
Drown without inhaling  
Within, the dark holds hard  
Red Sun rising  
Curtain falling  
Higher than hope my cure lies

[I would just like to think that, it's not why it happened to me. But why was I saved? What else can I do now?]

Your death saved me

[Being in the dark about something, I can't even tell, I can't even tell you how scary it is. You don't know what's inside you; you don't know what's going to happen to you. The best way to put somebody at ease is to inform them even if it's the grim truth.]

Red Sun rising  
Drown without inhaling  
Within, the dark holds hard  
Red Sun rising  
Curtain falling  
Higher than hope my cure lies

Red Sun rising  
Drown without inhaling  
Within, the dark holds hard  
Red Sun rising  
Curtain falling  
Higher than hope my cure lies
