

Swanheart

Nightwish

Hmi **Emi**
All those beautiful people
 A
I want to have them,
 F#
I want to have them all
Hmi **Emi**
All those porcelain models
 D **A**
If only I could make them fall

Hmi **G**
Be my heart a well of love
 Emi **D**
Flowing free so far above
A wintry eve
 G
Once upon a tale
 Hmi
An Ugly Duckling
 A
Lost in a verse
 G
Of a sparrows carol
 D
Dreaming the stars

Hmi **G**
Be my heart a well of love
 Emi **D**
Flowing free so far above
In my world
 G
Love is for poets
 Hmi **A**
Never the famous balcony scene
 G
Just a dying faith
 D
On the heaven's gate

Hmi **G**
Crystal pond awaits the lorn
 D **F#** **Hmi**
Tonight another morn for the lonely one is born
