The Islander

Nightwish

```
Hmi              Hsus2
An old man by a seashore
G7mi
At the end of day
A          G
Gazes the horizon
A                      Hmi
With seawinds in his face
Hmi             Hsus2
Tempest-tossed island
G7mi
Seasons all the same
A          G
Anchorage unpainted
A                     Hmi
And a ship without a name

Sea without a shore for the banished one unheard
He lightens the beacon, light at the end of world
Showing the way lighting hope in their hearts
The ones on their travels homeward from afar

Hmi          G    D  A  Hmi
This is for long-forgotten
G             D          Emi  Hmi
Light at the end of the world
G   D   A  Hmi
Horizon crying
    G               D          Emi
The tears he left behind long ago

The albatross is flying
Making him daydream
The time before he became
One of the world`s unseen
Princess in the tower
Children in the fields
Life gave him it all:
An island of the universe

Now his love`s a memory
A ghost in the fog
He sets the sails one last time
Saying farewell to the world
Anchor to the water
Seabed far below
Grass still in his feet
And a smile beneath his brow

This is for long-forgotten
Light at the end of the world
Horizon crying
The tears he left behind so long ago
```
