

Clappin'

Nik & Jay

I feel it in my blood, here they come
I've seen it before, so I'm ready, son
Holy shit, like a nun
Come get some
And let it bump, let it bump
I talk fast, I spit classics, they call it hit and run
I preach peace, 'cause I made peace with the past
Word to mother, I'm clappin' that ass

Clappin' on that ass, clappin' on that ass
Focus on the living, putting bottles on the tabs
We got ladies in the back, pockets full of cash
Take that negativity and toss it in the trash

Light up your cellphone, just like a lighter
Put it up higher in the air
We're gonna rise up, 'cause we're on fire
Tonight is gonna last forever
End the da-a-a-a-ay
Put it on repla-a-a-a-ay
We got 'em going, "Na-na-na-na-na-na-na"
Singing, "Na-na-na-na-na-na-na, na-na, yeah"

Feel the buzz, believe us
We bring the heat back, it's like defrost
They gotta love it, 'cause it's heartfelt
CPC - Copenhagen Pop Cartel
She got sick shapes, soft skin
I kick back and let my fingers do the walkin'
Princess, we gon' make it last
Big applause, I'll be clappin' on that ass

Clappin' on that ass, clappin' on that ass
Focus on the living, putting bottles on the tabs
We got ladies in the back, pockets full of cash
Take that negativity and toss it in the trash

Light up your cellphone, just like a lighter
Put it up higher in the air
We're gonna rise up, 'cause we're on fire
Tonight is gonna last forever
End the da-a-a-a-ay
Put it on repla-a-a-a-ay
We got 'em going, "Na-na-na-na-na-na-na"
Singing, "Na-na-na-na-na-na-na, na-na, yeah"

So many girls all over the globe
But none of them compare to you
'Cause when you're doin' it, you're doin' it just for me
So, pretty little woman, yeah, I really hope
That none of us will end up lonely
Let's make it happen
Let's make it clappin' tonight
And I think I might hold on to your ass forever

Light up your cellphone, just like a lighter
Put it up higher in the air

We're gonna rise up, 'cause we're on fire
Tonight is gonna last forever
End the da-a-a-a-ay
Put it on repla-a-a-a-ay
We got 'em going, "Na-na-na-na-na-na-na"
Singing, "Na-na-na-na-na-na-na, na-na, yeah"
