

Shouldn't Couldn't Wouldn't

NIKI

Mm, mm, yeah

Mm

By now I got your bad habits all memorized
Like when I know you need me most
You go and show me out, figures you Gemini

And I'm not sayin' that I've got all of the answers, but
Boy, I've been in love before
It's not always peachy, look, life ain't that easy
But one thing I know for sure is it

Shouldn't be this hard
You couldn't DTR
Oh, wouldn't it be nice if we could stay friends but we
Shouldn't, you know what I
Couldn't, that's enough
If I had your heart it wouldn't be this hard

You wonder why suddenly I'm comin' off indifferent
What you don't seem to understand is
It's not anything you said, it's everything you didn't
Oh

Yeah, you, you always answer with
More questions to questions that scared you
We're not always peachy, look, love ain't that easy
But one thing I know, I know it for sure that it

Shouldn't be this hard
You couldn't DTR
Oh, wouldn't it be nice if we could stay friends but we
Shouldn't, you know what I
Couldn't, that's enough
If I had your heart it wouldn't be this hard

I drank too much tonight to not try to call you up
I mean that's what our phones are for
I'm not one for titles girl, in other words terrified
That pussy kicked my rules out the door

I could take more shots or I could take you off your blouse
My favorite parts of fuckin' is either when I'm done or when you're walkin'
out my house
And you don't pick up when I call unless I call you mine
But one thing I know is it

Shouldn't be this hard
You couldn't DTR
Oh, wouldn't it be nice if we could stay friends but we
Shouldn't, you know what I
Couldn't, that's enough
If I had your heart it wouldn't be this hard, oh

Hard, mm

It's not always peachy, look, love ain't that easy
But one thing I know for sure is we shouldn't
