

# Connectivity

Nikka Costa

What do you want  
Are you gettin' what you need  
Why you feeling so alone  
When you wanna feel it down and deep  
Baby what you need  
When you walking down the street  
But you staring at your feet  
Left right left repeat

I'll tell ya what you need  
Plug into me  
And everyone you meet  
Let's vibrate babe  
Plug in  
Connectivity

Maybe if we go there  
Somewhere we've never been  
Maybe if I open up  
And you invite me in  
It makes me a little nervous  
To let you know how I'm really doin'  
But it could get us out this loop  
Hold it steady, jump through that hoop

Get what ya need  
Plug into me  
And everyone you meet  
Let's vibrate babe  
Plug in  
Connectivity

Connectivity, connectivity, connectivity  
Connectivity  
Connectivity, connectivity, connectivity

Get what ya need  
Plug into me  
And everyone you meet  
Let's vibrate babe  
Plug in  
Connectivity

Connectivity, connectivity, connectivity  
Connectivity  
Connectivity, connectivity, connectivity

We guard our hearts, go black  
Wish we had, wish we had that moment back  
One day we'll look back  
Wish we had it, wish we had it back  
Expose your mind  
You are just like me  
Just wanna be loved  
Go where you are seen  
Open up, let's vibrate  
Open up, open up to me
