I Believe In Fairy Tales

Nikka Costa

I believe in fairy tales
Dreams can all come true
I believe in fairy tales
I believe in love and you
I've been warned
I've been told
I'm too young
You're too oid
I don't care
It's o.k.
Tell me lies
Anyway

Cause I believe in fairytales
Tell me that you love me too
Sugar and spice and ev'rything nice
Promise me a sky of blue
Hey diddle diddle
The cat and the fiddle
My heart jumped over the moon
And I believe in fairy tales
I believe in love and you

I believe in fairy tales
I believe in love and you

In my dreams late al night
You're the one who holds me tight
Maybe soon, but not too long
Lovin' you won't be so wrong

I believe in love
I believe in fairy tales
Dreams can all come true
