Baby we could use a remedy to free our minds
Clogging my flow left and right, up and down, rewind
Get back to the heart of it and unsubscribe

Watch it feel good (feels good)
Watch it feel good (feels good)
Watch it feel good (feels good) good good good
Watch it feel good (feels good)

Get your dishes out my kitchen
Get your vision off my drive
I've got selective listening
When it comes to catching vibes
So much input
So much data
Gotta find a better way to
Flip the switch and regulate

Watch it feel good (feels good)
Watch it feel good (feels good)
Watch it feel good (feels good) good good good
Watch it feel good (feels good)

Propaganda in our hands
Scrolling numbs our future plans
We consume and don't realize
Gotta catch that shit and fertilize

Watch it feel good (feels good)
Watch it feel good (feels good)
Watch it feel good (feels good) good good good
Watch it feel good (feels good)

Watch it feel good (feels good)
Watch it feel good (feels good)
Watch it feel good (feels good) good good good
Watch it feel good (feels good)

Watch it feel good (feels good)
Watch it feel good (feels good)
Watch it feel good (feels good) good good good
Watch it feel good (feels good) good good good
