

# Crazy Ex-Girlfriend

Nikki Flores

Verse 1:

I got the keys to my broken heart  
I'm gonna run them up and down your car  
Boy you gonna need a body guard  
For all the drama I'm about to start

Pre-chorus:

Know what this is? I was the cheater  
Cause you looked me in the face, and I believed ya  
And I'm over all the lies you told  
Now I'm calling just to let you know

Chorus:

I'll be your crazy ex-girlfriend  
I'm never gonna leave you alone  
You'll wish I never was your girlfriend  
Or that you ever treated me so cold  
Cold, cold,  
Call me your crazy ex-girlfriend  
Cold, cold,  
Call me your crazy ex-girlfriend

Verse 2:

I droá¹- the speakers from the highest floor  
I'm on a mission, gonna start a war  
If I were you, I would lock your door  
You got me madder than ever before

Pre-chorus:

Know what this is? I was the cheater  
Cause you looked me in the face, and I believed ya  
And I'm over all the lies you told  
Now I'm calling just to let you know

Chorus:

I'll be your crazy ex-girlfriend  
I'm never gonna leave you alone  
You'll wish I never was your girlfriend  
Or that you ever treated me so cold  
Cold, cold,  
Call me your crazy ex-girlfriend  
Cold, cold,  
Call me your crazy ex-girlfriend

And I don't like the way you look at her with those eyes  
No I don't like, but I'm your crazy ex-girlfriend

Chorus:

I'll be your crazy ex-girlfriend  
I'm never gonna leave you alone  
You'll wish I never was your girlfriend  
Or that you ever treated me so cold  
Cold, cold,  
Call me your crazy ex-girlfriend  
Cold, cold,  
Call me your crazy ex-girlfriend

Chorus:

I'll be your crazy ex-girlfriend

I'm never gonna leave you alone

You'll wish I never was your girlfriend

Or that you ever treated me so cold

Cold, cold,

Call me your crazy ex-girlfriend

Cold, cold,

Call me your crazy ex-girlfriend
