

Runner Runner

Nikki Flores

Runner, runner
I've been running
Since the day I hit the ground
To keep my cover
Sun down to sun up
Under the radar
So far gone I can't be found
Na na
Somebody said that's love
I don't know what that was
But ooh it couldn't be
Couldn't be
All those patient and kind things
Hey, I'd rather love myself so hard it hurts
Rather give myself what I deserve

So I keep moving
Mm ooh
Don't try calling
Don't send for me
I'm outside
I'll keep running
And I sleep just fine
Gone by morning
I got time
Just not for you

Runner
Runner
Runner
Oh oh
I'm a
Runner
Runner
Runner
Ooh oh ooh
Oh oh mmm
Yeah yeah yeah

Runner, runner
I've been running
Since the day I hit the ground
To keep my cover
Mmm
Uh
I won't stop to wonder
Why I get hung up
By my heart
I can't slow down
Oh no no no
Mmm
Somebody said that's love
First they gotta catch up
'Cause ooh it doesn't seem
To be
Worth my tears or a damn thing

So I'll leave my expectations in the dirt
If it means I never have to hurt
My lessons learned

Oh oooh oh
Don't try calling
Don't send for me
I'm outside
I'll keep running, yeah
I will
And I sleep just fine
I'm not lonely
I got time
Not for you

Runner
Runner
Runner
Oh no oh oh
I'm a
Runner
Runner
Runner
Ooh oh ooh
Oh oh mmm

Ooh
Mmm
Mmm
Runner, runner
How I wish that you had never let me down
Mmm
'Cause runner, runner
I've been running since the day you taught me how
Ohh no no ohhhh
Mmmmm

Don't try calling
Don't send for me
I'm outside
I'll keep running
I'll keep
Running and running and running
Running and running and running
Ohh
Mmmmm
