

## boarded the plane

Niko B

I'm face down on the floor  
It's like twenty past four  
I'm waiting for that knock at the door  
I ordered food like twenty-four hours ago  
I'm not one to complain  
The takeaway driver might just be having one of those days

I just boarded the plane  
Walk in the cockpit and stated my name  
If you two pilots need help on this flight or a glass of wine  
I'm in row nine

I can't really fly but you know I'll give it a try  
How hard could it be? I played GTA 3  
Just keep shit one-eighty degrees

I'm in a car, not a cockpit  
I'll use that logic  
Got a gun and I'll cock it  
I got a shopkeeper hostage  
Someone telling me to stop it  
I woke up, washed this cash in my pocket  
Got a thing in my wallet, a picture of you  
And it's kind of ironic  
A trip to the tropics will do me quite well  
I need somewhere exotic  
While I'm on the topic  
Nothing tastes good when you mix it with tonic

Who's this?  
Calling my phone, are you taking the piss?  
I hate taking risks  
But see, look at this, I can sell it, get rich  
I'll break it to bits  
Police just got in, they said, "Don't move an inch"  
I'll break it to bits

I boarded the plane  
Walk in the cockpit and stated my name
