

GOOD TIME

Niko Moon

We just tryna catch a good time
Even if it takes all night
Pass that bottle 'round the campfire
Sippin' apple pie moonshine
Yeah, we pickin' on them guitars just right
Everybody singing "Dixieland Delight"
Like a bobber on a wet line
We just tryna catch a good time

Eighty degrees and the sun ain't even out
We got a spot a couple miles out of town
When that moon comes up, you know what's goin' down
We got them foldin' chairs leanin' way back
No other plans other than relax
We ain't worried 'bout tomorrow from where we at

We just tryna catch a good time
Even if it takes all night
Pass that bottle 'round the campfire
Sippin' apple pie moonshine
Yeah, we pickin' on them guitars just right
Everybody singing "Dixieland Delight"
Like a bobber on a wet line
We just tryna catch a good time

Way down here, we all got that Southern drawl
We take our time when we talkin', "Hey y'all"
Yeah, it don't take much for us to have it all
(Oh, that's right)
Something 'bout a night this clear
Makes your problems disappear
So we just gonna stay right here and let the world go by

We just tryna catch a good time (Hey)
Even if it takes all night (Woo)
Pass that bottle 'round the campfire
Sippin' apple pie moonshine (Alright)
Yeah, we pickin' on them guitars just right
Everybody singing "Dixieland Delight" (Hey)
Like a bobber on a wet line (Woo)
We just tryna catch a good time (That's right)

There's something 'bout a night this clear
It makes your problems disappear
So we just gonna stay right here and let the world go by

We just tryna catch a good time
Even if it takes all night (All night)
Pass that bottle 'round the campfire
Sippin' apple pie moonshine (Sippin' apple pie moonshine)
Yeah, we pickin' on them guitars just right
Everybody singing "Dixieland Delight"
Like a bobber on a wet line (We just need it)
We just tryna catch a good time (Good time, baby)

Tryna catch a good time (Good time)
Good time

Tryna catch a good time (Woo)
Good time
Can we try to catch a good time (Good time)
Good time (Good time)
Tryna catch a good time (Good time, baby)
Good time (Aw, I think I got a bite)
