

Heavyweight Champion Of The Year

Nilüfer Yanya

This is the bar I'm waiting
This is the bar I'm staying
This is the bar where I can't think for myself
This is the bar I'm waiting
This is the bar I'm staying
This is the bar where I don't want no one else
Don't want no one
Don't want anyone

I'm tired
From all these dreams
Lack of sleep
I'm still wired
To want these things
Don't bring him
Don't bring

So you're a liar, a liar, girl
You know your limit
Getting higher and higher now
No, he can't commit
So you're a liar, a liar, girl
You know your limit
Getting higher and higher now
No, he can't commit
No, he can't commit
No, he can't

This is the bar I'm waiting
This is the bar I'm staying
This is the bar where I can't think for myself
This is the bar I'm waiting
This is the bar I'm staying
This is the bar where I don't want no one else

Fall

Do you crawl back to where you're from?
Sweet angel, I'm
Unable to
Give this one up
Game over, I'm
Heartbroken
I gave you up
