

try

Nilüfer Yanya

Try and play this off
Try to call me so
Hard to think because
Girl, you're so lonely

Still out
Cold here
Face down
No tears

Try and say this so
Try and hold me so
Hard to false because
Girl, you're so lonely

Things get
Strange here
No skies
And no fears

Drinking from this well
Draws me down
Thinking for myself
Not out loud

Tryin', tryin', tryin' thinking of you
'Til I get lost here so deeply then
I am, I am, I am happy to lose
Can I get lost here completely?

Silence leaves and it
Comes in stages
But, bears no fruit
Till you grow silent on me

Keep out
From here
I can't
Take it

Silence leaves, I walked
In your forest but
There's no roots
I am not sure I got this

Things get
Strange here
No skies
And no tears

Drinking from this well
Draws me down
Thinking for myself
Not out loud

Tryin', tryin', tryin' thinking of you
'Til I get lost here so deeply then

I am, I am, I am happy to lose
Can I get lost here completely?
Tryin', tryin', tryin' thinking of you
'Til I get lost here so deeply then
I am, I am, I am happy to lose
Can I get lost here completely?

Ah-ah-ah-oo-oo
Ah-ah-ah-oo-oo

(Ah-ah-ah-oo-oo) Tryin', tryin', tryin' thinking of you
'Til I get lost here so deeply then
(Ah-ah-ah-oo-oo) I am, I am, I am happy to lose
Can I get lost here completely?
(Ah-ah-ah-oo-oo) Tryin', tryin', tryin' thinking of you
'Til I get lost here so deeply then
(Ah-ah-ah-oo-oo) I am, I am, I am happy to lose
Can I get lost here completely?

Ah-ah-ah-oo-oo
Ah-ah-ah-oo-oo
