Yellow Black Blue

Nina Chuba

I got problems in love
My heart's stupid as fuck
Do whatever it wants
And say "Take two" in the morning
I know when I wake up
I will hate what it's done
They say violence don't fix none
But I'll...

Beat my heart till the thing don't screw
Toy boy strangers, yellow, black, blue
Beat my heart till it's so damn bruised
So damn bruised
Yellow, black, blue
Yellow, black, blue
I do this 'cause I love you (I do this 'cause I love you)

Yellow, black, blue
Beat my heart till it's so damn bruised
So damn bruised
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
I do this 'cause I love you
So damn bruised
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
Beat my heart till it's so damn bruised
So damn bruised
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
I do this 'cause I love you
So damn bruised
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue

You're a sucker, sucker for punch
Glass jaw, Judy never front
Achilles cut a heel, for fun
Little girl you did whatever that they want
And what they want is a 4K high def, hun
And you played your part but my heart
We're done, you done
Did it and ditched, left me with the shit
So I'mma beat your ass, I'mma break your stitches

Beat my heart till the thing don't screw
Toy boy strangers, yellow black blue
Beat my heart till it's so damn bruised

So damn bruised
Yellow, black, blue
Yellow, black, blue
I do this 'cause I love you (I do this 'cause I love you)
Do this 'cause I love you

Yellow, black, blue
Beat my heart till it's so damn bruised
So damn bruised
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
I do this 'cause I love you
So damn bruised
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
Yellow black blue
Beat my heart till it's so damn bruised
So damn bruised
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
I do this 'cause I love you
So damn bruised
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
Yellow, black, blue
