

# Just A Little Talk With Jesus

Nina Hagen

I once was lost in sin  
But Jesus took me in  
And then a little light from heaven  
Filled my soul

He filled my heart with love  
He wrote my name above  
Just a little talk with my Jesus  
Gonna make it right

Have a little talk with Jesus  
And tell Him all about your troubles  
He'll hear our famous cry  
And He will answer by and by

When you feel a little down  
You have a little fire burning  
Well, have a little talk with my Jesus  
Gonna make it right

You may have doubts and fears  
Your eyes may fill with tears  
Now Jesus is a friend  
Who watches day and night

Well, He wrote my name above  
And He filled my soul with love  
Well, just a little talk with my Jesus  
Gonna make it right

Let's have little talk with Jesus  
And tell Him all about our troubles  
He'll hear our famous cry  
He will answer by and by

Feel a little prayer wheel a-turning  
You know, a little fire is a-burning  
Let's have a little talk with my Jesus  
Gonna make it right

Talk to Him  
Talk to Him  
You better talk to Him

Well, you may have doubts and fears  
Your eyes may fill with tears  
My Jesus is a friend  
Who watches day and night

Well, He's gonna keep you safe  
He's the answer to my every prayer  
Just a little talk with my Jesus  
Gonna make it right

Have a little talk with my Jesus  
Tell Him all about our troubles  
He'll hear our famous cry

And He will answer by and by

Feel a little prayer wheel a-turning  
You know, a little fire is a-burning  
Have a little talk with my Jesus  
Gonna make it right
