

# Let Me Entertain You

Nina Hagen

Let me entertain you  
Let me make you smile  
Let me do a few tricks  
Some old and then some new tricks  
I'm very versatile

And if you're real good  
I'll make you feel good  
I want your spirits to climb  
So let me entertain you  
And we'll have a real good time, yes sir  
We'll have a real good time

And if you're real good  
I'll make you feel good  
I want your spirits to climb  
So let me entertain you  
And we'll have a real good time, yes sir  
We'll have a real good time
