

# This Magic Stuff

Nina Hynes

Be my sanctuary  
I know it's not ordinary of me  
But I can't get enough of you  
I could be in love with you  
So be true  
'Cause I know  
I know, I know, I know you

When you're away  
I promise you'll stay in my heart  
If you stay  
I promise you'll stay in my heart  
You'll stay in my heart

'Cause you bring me  
Somewhere so beautiful  
You make me  
Feel so beautiful  
You take me  
Somewhere so beautiful  
And you know it's you

I could be your gambling machine  
And you could put the money in me  
Can't call the bluff on you  
I could be in love with you  
So be true  
'Cause I know  
I know, I know, I know you

When you're away  
I promise you'll stay in my heart  
If you stay  
I promise you'll stay in my heart  
You'll stay in my heart

'Cause you bring me  
Somewhere so beautiful  
You make me  
Feel so beautiful  
You take me  
Somewhere so beautiful  
And you know it's you  
You know it's you  
You know it's you  
You know it's you  
You know it's you
