

Vulva

Nina Hynes

How to save, save the world
Trust the women and the girls
But not the Margaret Thatchers
Not the Aileen Wuornos (Serial killer)
Can you tell your instinct from the cosmos
I've got a vagina
(Vulva, vulva, vulva, vulva, vulva)
I've got a vagina
(Vulva, vulva, vulva, vulva, vulva)
I've got a vagina and so do you
Even if it's not your own
You can share one too
And if I say "No, no, no"
You better know, know, know
And if I say "Go, go, go"
You better go, go, go
I've got a vagina
(Vulva, vulva, vulva, vulva, vulva)

I've got a vagina
(Vulva, vulva, vulva, vulva, vulva)
I say let's celebrate the women of the world
I say let's celebrate all the girls
I say let's celebrate some of the men
I say let's celebrate
I've got a vagina
(Vulva, vulva, vulva, vulva, vulva)
I've got a vagina
(Vulva, vulva, vulva, vulva, vulva)
I've got a vagina
(Vulva, vulva, vulva, vulva, vulva)
I've got a vagina
(Vulva, vulva, vulva, vulva, vulva)
(Vulva, vulva, vulva, vulva, vulva)
