

The Best You Had

Nina Nesbitt

Does she ever feel like me?
Run her fingers down your back
Do you ever talk about us?
Or is it just the bad times we had?
'Cause baby it's been three weeks and I'm going out my mind
How does she taste, is it sweeter than mine was?
I've been using bodies just to get me through the night
Is it the same, huh?

'Cause it's crazy that you're moving on so fast
But baby it's okay if I am still the best you had
And it hurts to think of you like that
But baby it's okay if I am still the best you had
Oh na na na na, Oh na na na na, Oh na na na na
If I am still the best you had
Oh na na na na, Oh na na na na, Oh na na na na
If I am still the best you had

Nobody did it like us, nobody did like you did
Darling I know that we're fucked
But you know my ego was stupid
Tell everyone I hate her cause I am scared of how you feel
It's complicated

'Cause it's crazy that you're moving on so fast
But baby it's okay if I am still the best you had
And it hurts to think about you like that
But baby it's okay if I am still the best you had
Oh na na na na, Oh na na na na, Oh na na na na
If I am still the best you had
Oh na na na na, Oh na na na na, Oh na na na na
If I am still the best you had

I don't want you, no nothing more
I don't need you, it's crazy that you're moving on so fast
When I am still the best you had

It's crazy that you're moving on so fast
But baby it's okay if I am still the best you had
And it hurts to think of you like that
But baby it's okay if I am still the best you had
(Maybe it's okay)
Oh na na na na, Oh na na na na, Oh na na na na
(The best, oh the best you had)
Oh na na na na, Oh na na na na, Oh na na na na
I am still the best you had□
