

# I Was Just a Stupid Dog to Them

Nina Simone

I was just a dog to them  
They didn't want to change  
Just a stupid dog to them  
With a funny sounding name

Bob Marley had died a week before  
Bratislava was a place to go  
Just a stupid dog to them  
Now everything will change

I was just a clown to them  
They didn't want to change  
Just a stupid clown to them  
With a funny sounding name

Anyway it was all a lie  
Just a chance for them to get by  
Just a stupid dog to them  
Just a stupid dog to them  
Now everything will change

I was just a dog to them  
They didn't want to change  
Just a stupid dog to them  
With a funny sounding name

Marley died a week before  
Bratislava was a place to go  
Just a stupid dog to them  
Just a silly clown to them  
Just a stupid dog to them  
Now now everything will change
