## **Nina Simone**

A charge to keep I have  
A God to glorify  
A never-dying soul to save  
And fit it for the sky  
A charge to keep I have  
A God to glorify  
A never-dying soul to save  
And fit it for the sky  
A charge to keep I have  
A God to glorify  
A never-dying soul to save  
And fit it for the sky  
A charge to keep I have  
A God to glorify  
A never-dying soul to save  
And fit it for the sky  
A charge to keep I have  
A God to glorify  
A never-dying soul to save  
And fit it for the sky
